## Coronets' Message

Greetings unto Our Noble Populace!

Can you hear the war drums beating? Are you prepared to stand with your Kingdom to vanquish the Ansteorran threat? In just one month's time, we will be heading west to Gulf War, to defend Trimaris with our allies upon the fields of battle, in the halls of art, and with valorous service! You do not have to wield a weapon to help Trimaris prevail; you simply need to donate a few hours (or more!) of your time, as volunteer service is worth TWO war points. Service will also net war profits for the group of your choice. Of course, we hope that you will choose Oldenfeld as the group to receive your portion of the war profits, but all service is admirable and necessary to make such an event happen every year. To those who do choose to give profits to Oldenfeld and who complete at least ten hours of service at War, We will once again serve a three-course meal cooked in Oldenfeld's encampment in appreciation of your service. The volunteer appreciation dinner will be served on Thursday this year, following Trimarian Court, so as not to interfere with either the rapier ravine battle or the Known World Party set up.

Remember that Trimaris is responsible for hosting the Known World Party this year, and service at the party will count toward your ten total hours if you are pre-registered to assist The volunteer sign up page can be found on social media, or you can contact Sir Killian the Bruce, who is coordinating the effort. You can also sign up to assist with several other volunteer areas prior to War, including Transportation, Sanitation, Volunteer Point, Fighter Support, Exchequer Shifts/Troll, Autocrat Shifts (prior experience required, or you can sign up to ride with someone who has prior experience), and the combined Trimaris/Meridies social, which will be held in Trimaris' encampment on Wednesday night. If you are interested in volunteering in any other departments, or finding out which departments need assistance most, please visit the Recruitment office on site, located at Five Points, at the eastern side (toward Merchants Row) of the Volunteer Point tent. Remember, our events cannot happen without the helping hands of many volunteers, so please do your part to help continue the war we love so much!

Once we return from War, there are several upcoming events of great import. Though We never wish any harm to befall Their Royal Majesties, Kurn and Maisie, We do hear that there may be a Coronation on the horizon for Their Royal Highnesses, Martin and Islay. The celebration promises to include Polynesian delights from afar, so wear your best tropical tunic!

Following Coronation, Oldenfeld will host a very special Anniversary event that will celebrate not only the Barony's 15th year, but also the union of two members of Our populace, Lorenz and Katarina. They will have family members and friends visiting, so let's all be sure to give them a warm welcome to the Land of Big Fun! We hope you all have safe and pleasant travels, and We look forward to serving as many people as possible at the Volunteer Appreciation Dinner!

## Seneschal Message

Greetings Everyone!

The next few weeks will be peak season for the Barony; between Gulf Wars, Coronation, and Anniversary, a lot will be happening that involves our members. To those attending War, I wish everyone an uneventful trip, boredom in transit, and as much fun as you can possibly have while you're there. If you haven't been to Gulf Wars before, there are many of us who can fill your brain with advice on what to pack and what to expect! Just two weekends after our return from War, some of us may be attending the Coronation of Their Highnesses Martin and Islay, at Camp La Llanada; the immediate next weekend following Coronation is Fool's War, in neighboring Meridies, and then our own Oldenfeld Anniversary on the weekend of May first. With so much happening over four of the next five weekends, I know that this will be a hectic project season for many of us!

As some of you know, Marie and myself will be traveling out of the country at the end of April; as a result, we will miss Anniversary. I trust all of you to not burn the Barony down while I'm away and I'm sure that Their Excellencies will avoid having to behead anyone, if they are in a gracious mood...

Thank you all for keeping Oldenfeld smoothly running and stress-free - we really do have it good here.

YIS,

Miklos, Seneschal
