## from the seneschal

I'd like to thank all the demo-ers who came out Wednesday and Monday. Wednesday looked and sounded fantastic. We had a great collection of both rattan and rapier fighters, and Sir Cedric marshaled and was impressive. Lady Isabella added a touch of gentility by practicing recorder and singing in the background, and quite a few people came out in garb to add color and excitement.

Monday was wet and lightly attended, but Talon, Little John and Eoin still gave a great display of the rattan fighting arts. Lady Vistillia and I marshaled and were "official", and Lauren and John (Jeffs) provided color commentary (aka "The Peanut Gallery") to Kristin.

Thank you all very much!  
See you at 20th Year!

Theadora Perplexa

## oldenfeld activities

The Barony of Oldenfeld holds business meetings on the first and third Thursdays of each month. These meetings are held at 7 PM at the Jack L. McLean, Jr. Community Center & Pool, located at 700 Paul Russell Road (near the intersection of South Monroe and Paul Russell). We have fighter practices (rattan, rapier and combat archery) on Sundays at 11 AM on the FSU campus Bellamy Green, between the Bellamy Building, Thagard Health Center and the old swimming pool. (Note that there is construction going on in that area of campus, so you might have to look around, but fighter practice will be in that area.) We have dance practice on Monday and Wednesday starting at 6:30 at Meyers Park near Apalachee Parkway, along with an unofficial rapier practice. On the first and third Tuesdays from 6:30 - 9:30 PM are shop nights at Ed & Michelle Costello's home; their phone number is 878-7565. Shop night is a chance for everyone to work on projects like armor and sewing together. When there is no shop night, we have music practice (vocal and instrumental) on Tuesdays, at the home of David & Mary Stevenson (850-893-2462).

## from the chronicler

Hello Oldenfeld! Just a reminder that OLDENTALES NEEDS YOU! Officers' letters, articles, event announcements, calls for volunteers - if it's SCA-related, I bet it would work for Oldentales.

One of the things we discussed at the Baronial Curia was having an edition of Oldentales dedicated to newcomers. We'll print extra to have on hands at events and demos throughout the year to help guide those who are new to our Society. If you have any information that would help newcomers out, please write it up and send it in!

Finally, I'm sure that I'm not alone in feeling overwhelmed by the devastation that Hurricane Katrina has left in New Orleans and the Gulf Coast area. Let's keep the suffering of these people in our thoughts. If it's within your means, I hope you'll consider donating to the Red Cross or similar charitable organization. Gifts of time can help too - visit [www.volunteerleon.org](http://www.volunteerleon.org) for ways you can help locally.

Ciao,  
Ginevra
